Greetings!

Thank you for expressing interest in being part of the Cutter Scout Reservation summer staff for the 2011 season. I am excited about the opportunity of leading Cutter during this period of growth. Much work and preparation is going into building an exciting summer for the Webelos and Boy Scouts of the Pacific Skyline Council and northern California.

Located in the heart of the Santa Cruz Mountains the Cutter facility is clean and in great shape, with plenty of activities to share with others and outdoor skills to master. Imagine spending the summer enjoying rock climbing, teaching merit badges, mountain biking the miles of trails, hiking the great redwood forests, challenging the high C.O.P.E. course, and much more.

While there are lots of outdoor activities at Cutter, the camp will not succeed without a great staff of young dedicated people whose aim is to give service to others through Scouting. The camp needs exceptional staff members who are true to and live their lives in accordance with the Scout Oath and Law. Quality, value driven young people are the key to any successful organization and summer camp is no different. The camp is centered on the troop friend (that's you!) program and is an exciting way to make lifelong friends, make a difference in the lives of people, and have great fun.

If you are 14 years or older and wish for a chance to be a part of this dynamic service organization I encourage you to apply for a position at Cutter this summer. The camping season will run for three weeks from July 2<sup>nd</sup> through July 24<sup>th</sup> and you will even get paid!

Please complete the application found on the Cutter Scout Reservation link of the Pacific Skyline Council website and then mail to Shaun Conner, 395 Church Street, Layton, Utah 84041 or e-mail them at [captain.conner@gmail.com](mailto:captain.conner@gmail.com). Once I receive your application I will contact you to let you know when and where you will be interviewed.

Look forward to working with you in the future!
