Other Ways To Support Our Camps/Council

For more information on events and programs, please call us at (650) 341-5633 or visit our website at www.pacsky.org.

The Council is proud to offer three unique and diverse camp properties for use by our Scouting families and associates. With respect to ongoing maintenance, all three camps are in excellent condition and are a tremendous resource to our Scouts and the larger Bay Area community. Over the past several years, over $4,000,000 has been invested in capital projects at the camps. The Council and camps have benefited from the vision and generosity of numerous Scouting friends who have made significant contributions to improve the facilities. The Council is committed to providing the best camp facilities possible. **In order to continue to improve the quality and function of the camps, there are numerous capital projects that individuals, families or Scouting units can support.** The donation of in-kind services and office supplies can also be a tremendous financial benefit to the Council. Call the Scout Office at (650) 341-5633 to learn more about the Council's capital projects and opportunities.
