Cope Instructor Course

PROJECT COPE

CLIP INTO ADVENTURE

Certification Course for C.O.P.E. (Challenging Outdoor Personal Experience) Instructors

April 5th to 7th 2013

COPE Instructor certification is appropriate for any adults 18 and older who enjoy helping others develop their skills, and desire to have a whole lot of fun in the woods! Youth 16 and 17 years old can be trained as "Instructors-In-Training".

Challenge course programming emphasizes learning by doing. We guide Scouts, Scouters, and people of all sizes, shapes, and physical abilities through initiative problems and low and high ropes course challenges. Courses are designed to develop leadership, goal setting, communication, decision-making, problem solving, teamwork, confidence, trust and self-esteem.

AND – There is a big need for currently certified NCS COPE Directors and Council certified COPE Instructors to staff the 2013 National Jamboree in West Virginia! They need about 400 people, and this will be a phenomenal opportunity, with zipline canopy tours, 3000+ ft. zipline, and challenge courses. Get trained now!

The course takes one weekend, plus another day with a COPE Course group.

Friday 7:00 PM through Sunday 4:00 PM

Cutter Scout Reservation

Fee of $35 Includes Saturday breakfast through Sunday lunch, Camping and Certificate

Preregistration required by March 29th 2013

Trained adult COPE Instructors make $50/Day for each course they help facilitate.
