

Pacific Skyline Council Friends of Scouting Campaign

What is Friends of Scouting?

F.O.S. Three little letters. One big impact. Friends of Scouting is the Pacific Skyline Council's annual fundraising campaign that helps support quality programs for youth on the San Francisco Peninsula. We rely heavily upon family support to operate our camps, provide year-round activities and programs, training, registration, record keeping, and program materials. On average we spend \$250 to provide these crucial local support services for just one Scout for one year of program.

How can I support FOS?

Our goal is to have 100% participation from every family served by Scouting. You can make a gift by:

- filling out a **pledge card** (provided by your unit leader during the FOS presentation), or
- donating securely **online** at pacsky.org (click DONATE at the upper right).
- If you prefer to donate **by mail**, you can send a check to our office at 1150 Chess Drive Foster City, CA 94404. In the memo, please mark "FOS" and include your unit number.

Many companies match donations. Check for your company here: <https://doublethedonation.com/pacsky>

Recognition

A donation of any amount will be recognized with an "I'm a Friend of Scouting" patch. Donors who support one Scout at the \$250 level will receive a special council shoulder patch (both patches pictured above). Units that achieve their goal will be given a free basic weekend campsite rental at Cutter Scout Reservation or Boulder Creek Scout Reservation.

THANK YOU!

**Every gift matters - and every gift helps provide life-changing experiences to peninsula youth.
Your gift has helped prepare Scouts. For Life.**

Prepared. For Life.
