The “fine print”

- All sales must be recorded online or in the app and must happen prior to Sunday, December 18, 2022 at 11:59pm PT.
- Online sales are active now and will count toward the Disneyland® trip. Door to Door and Storefront sales begin in August 2022.
- Sales from prior years do not count toward the prize incentive.
- This is in addition to, but separate from, any other Trail's End Prize program.
- This prize is for the gift cards only. Travel, lodging, meals, and all other logistics are the responsibility of the Disneyland® Prize Experience winners.
- Prize program is only available to youth members of the Pacific Skyline Council.
- This prize incentive must be earned by a single Scout. You may not combine sales to reach the \$10,000 threshold.
- Scouts attending the 2023 BSA National Jamboree at the Summit Bechtel Reserve have the option of participating in this prize incentive program. A 2023 Jamboree Scout may instead opt for a \$1,500 credit towards the cost of the 2023 BSA National Jamboree. This credit can not be used for any other purpose or Scouting event and will only be applied to a Scout's Jamboree invoice and is in lieu of the Disney® and prepaid gift cards.
